

Greetings!

This is an exciting opportunity to make new friends, improve our beloved neighborhood and let your voice be heard on issues that affect your home and family. Please look inside for details. We truly hope to see you at our next event!

The Eastside Neighborhood Association has not been active for several years and as a result we have been missing out on many important benefits that a strong neighborhood association can provide, such as:

-  Making our opinions known on important zoning, traffic, maintenance and city service issues.
-  Improving neighborhood safety.
-  An Opportunities to meet new friends, network and socialize.
-  Creation of a neighborhood directory .
-  Maintaining the character of our neighborhood.

In May, a small group of neighbors began meeting to discuss a new association, and in August our first neighborhood-wide meeting was held. We are now incorporated as the **Mentelle Neighborhood Association (MNA)**.

MNA Elected Officers

The following positions were elected at our August Ice Cream Social and Organizational Meeting. We will hold yearly elections for these offices. And don't worry there will be plenty of additional opportunities to get involved!

Please feel free to contact our officers with any questions about the Mentelle Neighborhood Association.

The Mentelle Neighborhood Association

The MNA is a work in progress. We have created by-laws, elected officers, formulated some basic neighborhood goals and begun actively recruiting new members (and we hope you and your family will join us soon!)
