Dear Mr. Gardner:

Congratulations on the award of a Neighborhood Action Match grant to your neighborhood association. Since its inception in 1986, the Neighborhood Action Match program has promoted neighborhood improvements at the local level by providing financial assistance for those projects deemed most important by the residents of an area. Ranging from the purchase of playground equipment to tree planting programs, the Neighborhood Action Match Program has sought to beautify our city and promote camaraderie through projects that bring residents together for the betterment of their neighborhood and the community as a whole. I believe that your neighborhood association demonstrates that spirit by undertaking a Neighborhood Action Match project. The \$4,540.00 awarded to your neighborhood association will help make your vision become a reality. The improvements supported by a Neighborhood Action Match Grant nourish a sense of pride in our city and help make it a more attractive, more enjoyable place for all its inhabitants.

I also want to take this opportunity to thank you, the officers, and the membership of the Mentelle Neighborhood Association. Preparing a grant application and then seeing that project through to a successful completion is no small task. The personal investment that neighborhood associations make is a sign of the dedication that the citizens of Lexington and Fayette County have to our area, a place that we all cherish, and their commitment to keeping it a wonderful place to live.

Please have your association's authorized representative contact the Division of Community Development, at (859) 258-3070, to arrange a date/time for endorsing the program contract.

Sincerely,

Jim Newberry
